More RCs needed for 2022 – Tony Moore is training up. You don't have to put names down now for ride-outs, but it is nice to know how many are going. Text notification system has been set up for cancellations/changes.

Pony Express Rally 17-19 September 2021, Rose and Crown, Holbeach – Andy explained that as we've cancelled 2 Iron Horse rallies, we thought we'd have a members rally this will also be the End of Season event. Something more informal could be organised later in year if need be. Tickets are £20 ( £30 voucher for food for members). Tents and tourers will probably still get on site. Minibus to be arranged to pick up those who are staying off site but we will need to know where you are to ensure the minimum pickups. Billie happy to share if anyone is going on their own. Give Andy a call if you need bank details to pay via bank transfer. Tickets will also be on sale at next meeting.

Newsletter - another amazing effort by Graham - Excellent job.

Membership – Angie told us that 29 members forms are missing from 2020 – fee was due at the start of lockdown so these will be existing members who paid but didn't complete a form. Members should do an annual form because of the disclaimer and HOG number etc. Angie told us that there are currently 11 new members including 1 returned member. If you didn't complete a form for 2020 Angie will email you. Angie has got Andy's form now!!!! Andy to email forms out so that 2021 forms can be completed.

Iron Horse Rally 2022 – booking will be launched at the end of July. Andy wants a Rally Committee to assist with the organisation. Let Andy know if you are interested. The rally is held at the Blue Dolphin Haven site, Filey. We have bands on the 2 nights, games, and ride-outs. Fancy Dress to fit the 60s, 70s, and 80s theme - would be great if our members all got dressed up. Main night is Saturday night. Members encouraged to take flyers to distribute to anyone who could be interested. Blue Dolphin have lots of onsite facilities and food outlets, and a range of statics plus a tourer/camping site.
